such a place. Nathanael certainly did not believe it and he said so to Philip. I am certain that there were many others who could not believe.

Believe is just what Jesus came to earth to teach us to do. It takes a lot of faith to be able to trust in something that is near impossible, at least in your own mind. Wouldn't you like to go back in time to be with Nathanael when he had his own epiphany as to who Jesus really was?

Today, there are many who struggle to understand the Bible, the biblical stories, and even messages shared in church – from the pulpit or in Bible studies. Can anything good come out of someone who has yet to believe? With God, all things are possible.
